The Dune Buddies

The Dune Buddies, the first quartet to be registered in the chapter consists of Lou Rollman, tenor, a retired phone company employee from Virginia. Lou now lives in Freeport. Jim Given, lead, a Choctawhatchee High School graduate now working for Dixie Lily and others. Robin Morey, bari, a Niceville High School graduate and former U.S. Army bandsman, now attending Okaloosa-Walton Jr. College. Els Morey, bass, a former Air Force pilot now fixes musical instruments and directs the Play-ground Harmonizers. You'll find the Dune Buddies a very solid and entertaining quartet.

The Sky Tide Quartet

We are pleased to have the Sky Tide quartet this evening for their last local performance. Jerry Harris, lead, is being transferred to SAC Headquarters in Omaha, Neb. He is currently the Commander of the 20th Surveillance Squadron which maintains a very sophisticated space tracking radar on the eastern part of Eglin. Art Smith, tenor, will be winging to Wiesbaden, Germany for a new assignment as an intelligence engineer. Joe Breedon, baritone, is a retired fighter pilot and President of the Playground Harmonizers. The bass, Scott Smith is an aeronautical engineer from the Air Force Academy who now works in the Armament Laboratory. For two years now, The Sky Tide quartet has been singing all over town at the drop of a hat and they supplied the hat. In last fall's district competition, they were finalists and plan to compete one more time in Lakeland, May 2nd & 3rd. Good luck Sky Tide. . .we will miss you.
