**Walt Simshauser**

**Howard Vroman**

### Welcome To Our Fifth Annual Show!

In our fifth year as a Chapter of S.P.E.B.S.Q.S.A. we believe we have put together a musical evening of familiar show tunes which you will enjoy.

As the men of the Playground Harmonizer Chorus lift their voices in song this evening, they do so not only to entertain you, our special guests, but to help support the Institute of Logopedics in Wichita, Kansas. Since adopting support of the Institute as our service project the Barbershop Society has contributed over six million dollars toward helping children who suffer afflictions of speech and hearing.

Our special thanks to you for making this evening possible and for helping us live up to our motto, "We Sing That They Shall Speak."

**Frank Mercer, President**
